Behind our BRAND

Hello from Regina!

What once was my family's tobacco and cattle farm is now a sanctuary for couples like you. I believe in preserving the land's history rather than crowding our hills with lodging. For me, it's about the peace of the creek, authentic mountain charm, and adding your love story to our legacy!

- PRIVACY (instead of next to other cabins or tourists on a busy road)
- Willow tree, garden & mountain view ceremonies
- Back-up Plan for Rain
- Pleasing decor already in place (We're wedding ready)
- Coordinator included
- Choice of officiants
- SO MANY places to take photos!
- Barn with cabin-style interior chapel & dressing areas
- Heritage-inspired reception space
